Happy Holidays!

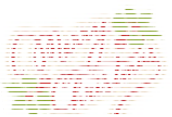

It's hard to believe we're in the final month of 2018 and yet we're still running full steam ahead with projects and planning. With winter weather upon us, I encourage everyone to take extra time to reach your destination and stay safe. City crews are prepared for the weather and caution motorists to be aware as streets are kept safe and cleared from snow and ice.

The City's 2019 Balanced Budget of \$48.4M has been submitted to Celina City Council for final approval as we enter another year of progress with our Street Program and the new Lakeshore Drive Park District development.

While we've been fortunate to receive several grants for multiple City projects, including both streets and parks, we also have had several individuals and businesses wishing to donate for the new Lakeshore Drive park area and to be a part of this exciting, once-in-a-lifetime opportunity for our community! To facilitate donations, the City has partnered with the Mercer County Civic Foundation to create "The Lakeshore Park District Fund". This new park is under development and will take our whole community to come together to establish a lasting legacy of civic pride and years of enjoyment. The new park district will include activities for all ages including an Amphitheater; Splash Pad; unique Playgrounds; Walk/Fit Paths; Restrooms, and Shelter Houses! Additionally, we have a long list of trees to be purchased for dedication along with park benches, water fountains, trashcans, etc. to be located throughout the park area with memorial plaques where requested. Be a part of something great for our children and community! Your contributions towards these items are **TAX DEDUCTIBLE** and can be made through the Mercer County Civic Foundation for "The Lakeshore Park District Fund". Donations can be submitted to the City of Celina, 225 N. Main Street; Celina, Ohio 45822 or directly to the Mercer County Civic Foundation, 119 W. Fulton Street; Celina, Ohio 45822.

Moving Forward,
Mayor Jeffrey Hazel

Prompt payment of your utility bills to avoid getting your services shut off is important. Any customer with a past-due account balance is subject to disconnect. Customers can determine their account status by checking their monthly utility bill. If your bill indicates you are in disconnect status, prompt payment is necessary to avoid having your utilities turned off. Payments can be made to the Celina Utilities office with cash, check, automatic deduction from your bank account, or credit card. A night deposit box is located outside of the front doors for payment after working hours.

If you have any questions or are unsure of your account status, please contact the Celina Utilities office at 419-586-2311.

Any customer who has had their utilities turned off due to nonpayment, must make payment with cash or money order to be reconnected.
