2019 Special Trash Collection

The items to be included in this special collection are general household discards *from city residences only*. Because of escalating cost, landfill restrictions and the use of packer trucks for collection, the following regulations and prohibited items will be strictly enforced for this collection. **Each residence will be limited to a maximum of 60 cubic feet of discards**, this is equal to the amount that can be put at one time into the hopper of the collection truck.

Please note the following items are prohibited and will not be collected: **mattresses, appliances, refrigerators, stoves, water heaters, stools, sinks, tires, batteries, tree limbs and brush, leaves, yard waste, railroad ties, building materials that are not boxed or bundled, concrete, brick and stone debris, metal fencing, motor blocks, transmissions and auto body parts, pressure containers, liquid waste and hazardous materials including paint and motor oils. Paint cans must be empty and/or paint dried out.** Special tags are available for separate disposal of these items. Tags can be purchased at the Celina utilities Office any time.

The special trash collection will be held Saturday of each week per the following schedule:

- **Saturday, April 6; the regular Monday route**
- **Saturday, April 13; the regular Tuesday route**
- **Saturday, April 20; the regular Thursday route**
- **Saturday, April 27; the regular Friday route**

In order to participate in this collection, your trash must be placed adjacent the street by 6:30 a.m. the day your area is scheduled for pickup. There will be no callbacks or extension of pickup dates.

An effort should be made by all to keep our community looking neat. No items should be placed out more than 72 hours in advance of your scheduled pickup day. Any resident with trash lying out before the Wednesday prior to their pickup date will be cited.

Materials not collected because they were set out too late or on the wrong day or did not follow the regulations here-in stated will be the responsibility of the property owner to dispose of. The City and/or contractors shall not accept responsibility for lost or misplaced items.

Non-city residents found dumping trash within the city and/or scavengers will be cited for littering.

REMEMBER: It must be boxed, bagged or tied in a bundle that can be picked up by one person, or it will not be picked up.

ATTENTION!

Celina Recreation Department would like to announce that Baseball and Softball will be registered on-line only starting in March. Soccer and Football will start registration in June. We will no longer

have application forms for you to fill out. You will register on-line and pay on-line. We will have a computer set up here at the Recreation Department/Utility Office, 225 N. Main Street, Celina for those who do not have access to a computer. You can pay here if you do not have a credit card or debit card. When registering online, make sure you have the correct information, such as grade, boy or girl, age, etc. Head coaches will have to pay on-line and will be reimbursed your \$25.00 from the City of Celina.

We want to make this a smooth transition so feel free to call the Recreation Department at 419-586-1041, if you have any questions, concerns or comments. We will no longer except paper applications so please tell your family and friends about the new opportunity and encourage them to sign up to play recreation sports here in your home-town Celina.

**Sign up at
www.teamsideline.com/celina**

Also, we will be in need of umpires and referees for our spring and fall sports. You only have to be 14 years old to sign up and we want to encourage adults, men and women, to sign up and help make a difference in our children's lives. Also, the pay isn't to bad either. So, please consider this opportunity, you are needed.

Thank you,
Darl Strable
Celina Recreation Director

**Brush & Limb
Pickup**

The City's residential limbs and brush collection will begin Monday, April 1st and be conducted on the first Monday of the month through October.

Only limbs and brush without root balls will be collected. Limbs and brush are not to be placed adjacent to the street earlier than three (3) days prior to the scheduled collection, nor after the street has been collected. An effort should be made by all to keep our community looking neat. Limbs must be stacked in piles with larger sections of limbs facing the same direction.

A three cubic yard limit has been established for each residence per pickup. That is equal to a pile three feet wide by three feet high by nine feet long.

Brush and limbs in excess of the three cubic yard limit will not be collected and are the responsibility of the property owner to dispose of.

City crews will make only one trip through the City each month and, once your neighborhood is collected, will not return until the next regularly scheduled collection. You are prohibited from putting brush, limbs or debris on the street.

**IF YOU HAVE YOUR TREES TRIMMED,
YOUR CONTRACTOR MUST REMOVE
THE LIMBS/BRUSH.**

**BRYSON SWIMMING
POOL**

Application forms to sign up to be a Lifeguard are available at the Rec Department.
