## Celina Utilities Shut-off Policy

Prompt payment of your utility bills to avoid getting your services shut off is important. Any customer with a past-due account balance is subject to disconnect. Customers can determine their account status by checking their monthly utility bill. If your bill indicates you are in disconnect status, prompt payment is necessary to avoid having your utilities turned off.

Payments can be made to the Celina Utilities office with cash, check, automatic deduction from your bank account, or credit card. A night deposit box is located outside of the front doors for payment after working hours.

*If you have any questions or are unsure of your account status, please contact the Celina Utilities Office at 419-586-2311.*

**Any customer who has had their utilities turned off due to nonpayment, must make payment with cash or money order to be reconnected.**

## Celina Utility Bill

The City of Celina occasionally finds it necessary to estimate utility meter usage due to unforeseen circumstances, such as illness or severe weather conditions. Please note, our computer system estimates your utility usage based on the previous month. If your meter reading is estimated, it will show **EST** on the billing. Additionally, if the meter is in your house, behind a fence, or in an area with a dog, it will not be read. The Customer Accounts Department is happy to make arrangements to meet you for meter access or the customer can read their own and call it in to our office. Please contact us at 419-586-2311 to discuss any concerns.
