Celina Tax Administration
225 N. Main St.
Celina, Ohio 45822
(419) 586-2594

Spring is here and with it comes a renewal of activity. We have the opportunity to do some Spring Cleaning with the annual Heavy Trash Pick-up by Ward on Saturdays; Limb and Brush Pick-up begins the first Mondays of each month through October; and Road Resurfacing Projects begin the first week of May.

Other exciting news is that the Bryson Park District will soon be home to another playground, zip lines, a new restroom facility by the playgrounds and splash pad, and a new restroom community facility to be constructed with generous donations from the Celina Lions Club, Grand Lake Rotary, and multiple individuals that will be a match to the Federal Land and Water Conservation Grant awarded to the City in May 2020.

As of this date, many events are being scheduled, such as Taste of Celina, Concerts in the Park, Lake Festival, and "2nd Saturdays" Downtown. Additionally, the Farmer's Market will start next month as we look forward to enjoying the season.

As the Governor continues to ease restrictions previously put in place for combatting the COVID-19 Pandemic, the City reminds you to continue adhering to safe practices, including social distancing, masking up, and washing your hands often as we should respect the health and safety of others. Individuals aged 16 and older have been approved to receive the COVID Vaccine; however, all those ready to receive a vaccine must contact (567-890-2619) one of the Vaccine locations to schedule a time to begin your shot(s). Remember, if you are sick or running a fever, please stay home and quarantine.

Please call 419-586-6464 with any questions or concerns.

In Service to Others,
Mayor Jeffrey Hazel

2021 Special Trash Collection

The items to be included in this special collection are general household discards **from city residences only**. Because of escalating cost, landfill restrictions and the use of packer trucks for collection, the following regulations and prohibited items will be strictly enforced for this collection. **Each residence will be limited to a maximum of 60 cubic feet of discards**, this is equal to the amount that can be put at one time into the hopper of the collection truck.

Please note the following items are prohibited and will not be collected: **mattresses, appliances, refrigerators, stoves, water heaters, stools, sinks, tires, batteries, tree limbs and brush, leaves, yard waste, railroad ties, building materials that are not boxed or bundled, concrete, brick and stone debris, metal fencing, motor blocks, transmissions and auto body parts, pressure containers, liquid waste and hazardous materials including paint and motor oils. Paint cans must be empty and/or paint dried out.** Special tags are available for separate disposal of these items. Tags can be purchased at the Celina utilities Office any time.

The special trash collection will be held Saturday of each week per the following schedule:

- **Saturday, April 3; the regular Monday route**
- **Saturday, April 10; the regular Tuesday route**
- **Saturday, April 17; the regular Thursday route**
- **Saturday, April 24; the regular Friday route**

In order to participate in this collection, your trash must be placed adjacent the street by 6:30 a.m. the day your area is scheduled for pickup. There will be no callbacks or extension of pickup dates.

An effort should be made by all to keep our community looking neat. No items should be placed out more than 72 hours in advance of your scheduled pickup day. Any resident with trash lying out before the Wednesday prior to their pickup date will be cited.

Materials not collected because they were set out too late or on the wrong day or did not follow the regulations herein stated will be the responsibility of the property owner to dispose of. The City and/or contractors shall not accept responsibility for lost or misplaced items.

Non-city residents found dumping trash within the city and/or scavengers will be cited for littering.

REMEMBER: It must be boxed, bagged or tied in a bundle that can be picked up by one person, or it will not be picked up.

Brush & Limb Pickup

The City's residential limbs and brush collection will begin Monday, April 5th and be conducted on the first Monday of the month through October.

Only limbs and brush without root balls will be collected. Limbs and brush are not to be placed adjacent to the street earlier than three (3) days prior to the scheduled collection, nor after the street has been collected. An effort should be made by all to keep our community looking neat. Limbs must be stacked in piles with larger sections of limbs facing the same direction.

A **three cubic yard limit** has been established for each residence per pickup. That is equal to a pile three feet wide by three feet high by nine feet long.

Brush and limbs in excess of the three cubic yard limit will not be collected and are the responsibility of the property owner to dispose of.

City crews will make only one trip through the City each month and, once your neighborhood is collected, will not return until the next regularly scheduled collection. You are prohibited from putting brush, limbs or debris on the street.

IF YOU HAVE YOUR TREES TRIMMED, YOUR CONTRACTOR MUST REMOVE THE LIMBS/BRUSH.
