In the event of rain, the concert will be cancelled.

The Shelley Company will complete the 2022 Street Resurfacing program, which includes repaving approximately 9.7 miles of street surface. Approximately 1.3 miles of street reconstruction is currently ongoing for Fulton Street between College Avenue to the east and the dead-end past Mill Street to the west. Johnson Avenue will be reconstructed from Main to Holly Street sometime this fall. The final street reconstruction for 2022 is East Fayette between Main Street and Ash Street as part of the overall improvements for our downtown.

The four new Pickleball Courts are nearing completion and game-striping will be completed this month for play. A new full-length basketball court has been constructed just off Elm Grove Street in the Bryson Park District and will be striped for play. Portions of the proposed walking paths through the Bryson Park District is currently under construction and will continue this summer.

The Bryson Pool and the Bryson Park District Splash Pad is open for summer fun! Make a point to be outside and enjoy our parks, Celina-Coldwater bike path, Grand Lake Rotary Walkway, and boating/fishing activities on Grand Lake! Keep in mind that Celina Parks & Recreation staff are always looking for volunteers to work with our children in the City's Recreation activities.

Business is booming in Celina and visitors here continue to increase as our area is becoming more of a destination place than ever before! Make it a priority to support our local businesses. We should be proud of our community and our continuing progress!

Celebrate Summer!

Mayor
Jeffrey Hazel

Brush & Limb Pickup

The City's residential limbs and brush collection will begin Monday, April 4th and be conducted on the first Monday of the month through October.

Only limbs and brush without root balls will be collected. Limbs and brush are not to be placed adjacent to the street earlier than three (3) days prior to the scheduled collection, nor after the street has been collected. An effort should be made by all to keep our community looking neat. Limbs must be stacked in piles with larger sections of limbs facing the same direction.

A **three cubic yard limit** has been established for each residence per pickup. That is equal to a pile three feet wide by three feet high by nine feet long.

Brush and limbs in excess of the three cubic yard limit will not be collected and are the responsibility of the property owner to dispose of.

City crews will make only one trip through the City each month and, once your neighborhood is collected, will not return until the next regularly scheduled collection. You are prohibited from putting brush, limbs or debris on the street.

IF YOU HAVE YOUR TREES TRIMMED, YOUR CONTRACTOR MUST REMOVE THE LIMBS/BRUSH.

Celina Utilities Office Hours
are:
8:00 a.m. to 4:30 p.m.
Monday through Friday
